

# Bullying Statistics Posters

**Time needed:** 40 minutes

**Recommended Level:** Grade 5-8

**Categories:** Awareness

**Common Core Standard(s):** Speaking & Listening,  
Statistics & probability

**Purpose:** Students will use internet sources to find valuable bullying statistics and create a poster to share.

## **DISCUSSION:**

Share the following statistics about bullying:

- 1 in 7 students is either a bully or a victim
- 42% of children have been bullied while online
- As many as 160,000 students stay home on a given day because they are afraid to be bullied
- 60% of boys bullied in middle school were convicted of at least 1 criminal conviction by the time they were 24.

## **ACTIVITY:**

Students will use the internet source to find reliable statistics about bullying.

With a partner, students will create a poster that displays the statistic(s) along with the original source.

Have students share their posters with the class.

## **FOLLOW-UP:**

Display the posters at various locations around the classroom and school.
